1962. **Minutes:**  
RESOLVED that the minutes of the meeting of Bobbington Parish Council held on 19 January 2022, a copy having previously been circulated to each member of the Council, be approved.

1963. **Matters arising:**

**a. Affordable Housing**

Lesley Birch (Housing Association) had contacted the Clerk, she has tried to contact the landowners, however, it hasn't been convenient when she's called. She was asked to call back on 16 February 2022.

Cllr. Slater confirmed he had spoken to Lesley earlier in the day. A copy of a drawing of the proposed development was circulated. The landowners still have concerns with respect to other Housing Association properties in the village, however, they will discuss this and the plans with Lesley. An offer for the purchase of the land is due imminently.

A brief discussion followed with respect to access, the position in the village and the proportion of social properties v joint ownership.

**b. Unkempt properties/gardens**

The Clerk has written to the occupant on Six Ashes Road.

The Clerk has written to the property owner on Brantley Lane and contacted the District Council due to the nature of the concerns.

**c. SSC Open space scheme**

The Chairman reminded the Councillors of the scheme and asked if there were any suggestions to consider. A number of ideas (e.g. a play area, allotments, seating area) were discussed, however, the only plausible land is at the end of Brantley Crescent. This land is owned by the Housing Association.

The Clerk was asked to make contact with Andrew Aston at South Staffordshire Council to confirm that they are able to work with third party land owners. Cllrs Snelson and Burton agreed carry out a site visit to consider the possibilities.

Some concerns as to the initial costs and costs of upkeep / maintenance were raised. Sponsorship or grant funding could be considered.

#### 1964. **Coronavirus (COVID-19)**

##### **Isolation / community assistance**

No further assistance has been sought from Parishioners. It was agreed that with further restrictions being lifted in the coming weeks this long-standing agenda item could now be withdrawn.

#### 1965. **“Bobbington Jubilee Bash” - Platinum Jubilee celebrations**

Cllr Snelson reported on the zoom meeting held after the last meeting and the organising committee formed as a result. He then gave a brief summary of activity to date, in summary:

- The committee consists of members from the Parish Council, Air Scouts, PTA, School, Village Hall and a couple of members of the public
- Entrance will be by ticket only, with tickets being sold in advance. Up to 400 tickets will be available (based on insurance)
- Budgets have been considered. The event needs to be accessible to all, therefore, it has been suggested £10 per adult, £5 per child
- The event will run from approx. 4pm – late
- A headline band has been booked, another main act is being considered. Young and upcoming talent are also welcome to play from 4pm.
- Initially, two grant applications will be made to help fund the main bands. Depending on the outcome, business sponsorship may also be considered
- The Airport has offered a hangar free of charge for the location of the event
- The Air Scouts are keen to be involved and have offered to run a BBQ
- The PTA of Corbett school are also keen to be involved and will run a sweet stall
- A parishioner will run a paid bar
- Whilst this is not a fundraising event, any profit / surplus funds will be split 50:50 between the Air Scouts and Corbett school
- The school are hosting a competition to design the tickets
- There were some uncertainties with respect to paying for expenses in advance and claiming these back, taking them from ticket sales. The Clerk was asked to speak to a locality enabler for advice / guidance.

#### 1966. **“Bobbington Bake off” - Tom Butler Cup**

It was agreed that this should be open to all to enter. A combined flyer for the Bobbington Bash and bake off can be circulated to all houses in the Parish as well as promotion on social media / word of mouth. All entrants will be required to enter a “cake”

The Clerk will contact local eateries and ask if they can provide a “judge”. It is anticipated that judging could take place on Friday 3<sup>rd</sup> June or Saturday 4<sup>th</sup> June subject to availability, with all entries being taken to the hangar for onward sale

#### 1967. **Highway Matters**

##### **a. Flooding - Six Ashes Road**

The Clerk has updated Diane Firkins at Staffordshire Highways.

##### **b. Tom Lane - visibility splays**

The Clerk has contacted Diane Firkins at Staffordshire Highways.

#### 1968. Reports from Committee Representatives

##### **Corbett School**

Cllr Burton reported that staff absence has hit Corbett very hard since their return in January, with attendance at 78%. This has meant a lot of cover from Mrs Crook and supply. Covid cases are down to zero across the school, which is great and trips etc are in full swing with Poppy and Daisy Class out at the Gurdwara yesterday. Key dates for Spring 2 are attached.

There have been lots of developments in the EYFS outdoor area, with screening and AstroTurf to enhance the outdoor facilities. The PTA have purchased lots of things for school including resources for Maths and Humanities.

PTA continue to raise money through events such as Movie Night and a parent disco which is coming up soon.

The school is looking for quotes for a new playground surface and outdoor equipment, so any recommendations would be gratefully received.

The school is also in the process of sorting out the drainage on the field, which has been an issue for some time.

New Chair of governors - Rachel English

New parent governor - David Hancox

Burton had requested details of the statistics for these visits; on the first occasion there were 4 offences, 5 offences on the second occasion and 4 offences on the third occasion. The fastest speed reported was 43mph.

##### **Locality Forum**

Cllr. Snelson had kindly attended this meeting. He reported on a discussion that had taken place with respect to planting verges with wild flowers. **1973. Correspondence**

Email received on behalf of residents in Bobbington, Leaton Lane and Church Lane and specifically Leaton Hall re Environmental destruction in Bobbington greenbelt. This email had been copied to the Parish Council and was specifically sent to the planning enforcement team at South Staffordshire Council, the Forestry Commission, Natural England, the Express & Star and Bridgnorth Journal.

It is understood that the land is privately owned and the majority of what has been cleared would be deemed self-set regrowth as the land was originally part of the chip factory. A lot of clearance work has taken place over the last couple of years as an attempt has been made to tidy up the area, however, it was noted that over a couple of weekends the adjacent area (which is understood to be owned by another party) has also been cleared. Given the planning enforcement team has already been made aware there is little the Parish Council can do.
